

# LOST PINES GROUNDWATER CONSERVATION DISTRICT

The Lost Pines Groundwater Conservation District (LPGCD) was created by an act of legislature, to be the state's preferred method of groundwater management in the Bastrop and Lee Counties. Per Texas Water Code Section 36.0015, LPGCD is to manage groundwater by balancing all property interests and providing for the preservation, protection, recharging, and prevention of waste of groundwater.

LOST PINES  
GROUNDWATER  
CONSERVATION DISTRICT

**Texas is a  
BIG state**

**Texas  
is a  
beautiful state.**

**Texas is a wonderful place,  
and many people are coming here  
to live, work, and play.**

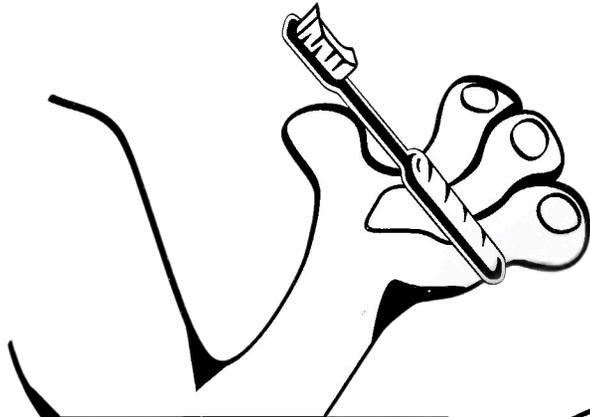

**With lots of people living in  
Texas, we need more water,  
but there's only so much to go around.**

**That's why it's important to use water wisely  
and not waste it.**

**Activity:** Draw your own pictures and color to complete the scene.

**There are many things you can do at home to help save water!**

**Be sure to turn off the water when you brush your teeth.**

Try to take showers that last only last FIVE minutes.

**We can use less water and keep it in our lakes, rivers, streams, and aquifers.**

**You can reuse the rain!**

**Catch the rainwater that runs off your roof in a rain barrel. Then water your plants and trees with the water you collect.**

## You can reuse old water.

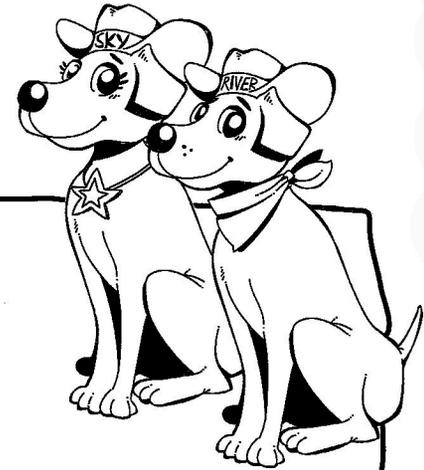

When you give your pet fresh water, don't throw the old water down the drain.

Use it to water your garden or trees and shrubs.

## How do you save water?

**Activity:** Draw your own picture to show how you and your family save water.

**Write 3 ways you  
can save water.**

Hand-drawn writing area with ten horizontal lines.

**Help River and Sky find  
the words!**
